The 11th GCB

Biomedical Science and Engineering Symposium

8.18 SUN 2024

AI in Radiation Oncology and Diagnostic Imaging

Speakers

K.S. Clifford Chao (China Medical University, Taiwan)

Yong Yang (Stanford University)

Xianjin Dai (Stanford University)

Yusuke Nomura (QST)

Chun-You Chen (Taipei Municipal Wanfang Hospital)

Yu-Jen Chen (Mackay Memorial Hospital)

Takeshi Kodaira (Aichi Cancer Center)

Noriyuki Kadoya (Tohoku University)

Tomoyuki Fujioka (Tokyo Medical and Dental University)

Wan-Yuo Guo (Taipei Veterans General Hospital)

Takaaki Yoshimura (Hokkaido University)

Noriyuki Fujima (Hokkaido University)

Melissa Chen (MD Anderson Cancer Center)

Venue

(**Hybrid Event**)

The Alumni Hall "Frate",
School of Medicine, Hokkaido University and
online via Zoom

Organizers

Global Center for Biomedical Science and
Engineering, Faculty of Medicine,
Hokkaido University

Department of Radiation Oncology,
Stanford University School of Medicine

Co-organizers

Clinical AI Human Resources Development Program
(CLAP), Faculty of Medicine, Hokkaido University
Medical AI Education and Research, Research
Center for Cooperative Projects, Faculty of
Medicine, Hokkaido University
Medical AI Research and Development Center,
Hokkaido University Hospital

Registration for online participation
**This event is FREE and OPEN
to the public**

*No pre-registration is required for on-site participation.
