

Monday, 28th February

Hiroki Shirato

- Affiliation: Hokkaido University
- Title: Professor, Research Center for Cooperative Projects, Director of Global Center for Biomedical Science and Engineering, Faculty of Medicine

Yuji Kuge

- Affiliation: Hokkaido University
- Title: Professor, Central Institute of Isotope Science, Dean of Graduate School of Biomedical Science and Engineering

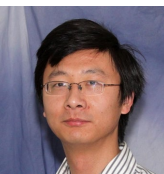

Per Rugaard Poulsen

- Affiliation: Aarhus University, Denmark
- Title: Professor, The Danish Centre for Particle Therapy and Department of Oncology, Aarhus University Hospital

Masayuki Aiwaka

- Affiliation: Hokkaido University
- Title: Professor, Center for International Collaborative Education in Science, Faculty of Science

Ruijiang Li

- Affiliation: Stanford University
- Title: Associate Professor, Department of Radiation Oncology, Center for Artificial Intelligence in Medicine & Imaging, Stanford University School of Medicine

Tuesday, 1st March

Sodai Tanaka

- Affiliation: National Institutes for Quantum Science and Technology
- Title: Researcher

Taeko Matsuura

- Affiliation: Hokkaido University
- Title: Associate Professor, Applied Quantum Science and Engineering, Quantum Engineering for Life Science and Medicine

Masayori Ishikawa

- Affiliation: Hokkaido University
- Title: Professor, Department of Health Sciences, Biomedical Science and Engineering, Faculty of Health Science

Ken Sutherland

- Affiliation: Hokkaido University
- Title: Assistant Professor, Global Center for Biomedical Science and Engineering, Faculty of Medicine

Hironobu Yasui

- Affiliation: Hokkaido University
- Title: Associate Professor, Department of Applied Veterinary Sciences, Faculty of Veterinary Medicine

Wednesday, 2nd March

Ken Sutherland

- Affiliation: Hokkaido University
- Title: Assistant Professor, Global Center for Biomedical Science and Engineering, Faculty of Medicine

Takayuki Hashimoto

- Affiliation: Hokkaido University
- Title: Associate Professor, Department of Radiation Medical Science and Engineering, Faculty of Medicine

Chietsugu Katoh

- Affiliation: Hokkaido University
- Title: Professor, Department of Health Sciences, Biomedical Science and Engineering, Faculty of Health Sciences

Naoki Miyamoto

- Affiliation: Hokkaido University
- Title: Associate Professor, Applied Quantum Science and Engineering, Quantum Engineering for Life Science and Medicine

Seishin Takao

- Affiliation: Hokkaido University
- Title: Associate Professor, Applied Quantum Science and Engineering, Quantum Engineering for Life Science and Medicine

Takahiro Kanehira

- Affiliation: Hokkaido University Hospital
- Title: Assistant Professor, Department of Medical Physics

Koichi Miyazaki

- Affiliation: Hokkaido University
- Title: Specially Appointed Assistant Professor, Quantum Science and Engineering, Laboratory of Radiation Science and Medical Physics, Faculty of Engineering

Lecturers: 8th GI-CoRE GCB Summer School for Medical Physics

Thursday, 3rd March

Erinn Bruno Rankin

- Affiliation: Stanford University
- Title: Assistant Professor, Radiation Oncology - Radiation and Cancer Biology, Assistant Professor, Obstetrics & Gynecology - Gynecologic Oncology

Edward Graves

- Affiliation: Stanford University
- Title: Associate Professor, Radiation Oncology - Radiation Physics, Associate Professor, Radiology - Rad/Molecular Imaging Program

Lei Xing

- Affiliation: Stanford University
- Title: Professor, Department of Radiation Oncology – Radiation Physics, Professor, Electrical Engineering, Director of Medical Physics

Friday, 4th March

Masahiro Mizuta

- Affiliation: Hokkaido University
- Title: Professor, Information Initiative Center, Information Network

Yusuke Nomura

- Affiliation: Stanford University
- Title: Postdoctoral Scholar, Radiation Physics

Keiji Kobashi

- Affiliation: Hokkaido University
- Title: Specially Appointed Associate Professor, Department of Radiation Medical Science and Engineering, Faculty of Medicine
