

Monday, 28<sup>th</sup> February

## Hiroki Shirato

- Affiliation: Hokkaido University
- Title: Professor, Research Center for Cooperative Projects, Director of Global Center for Biomedical Science and Engineering, Faculty of Medicine

## Yuji Kuge

- Affiliation: Hokkaido University
- Title: Professor, Central Institute of Isotope Science, Dean of Graduate School of Biomedical Science and Engineering

## Mireia Crispin-Ortuzar

- Affiliation: University of Cambridge
- Title: Assistant Professor, Department of Oncology, University of Cambridge

## Masayuki Aiwaka

- Affiliation: Hokkaido University
- Title: Professor, Center for International Collaborative Education in Science, Faculty of Science

## Ruijiang Li

- Affiliation: Stanford University
- Title: Associate Professor, Department of Radiation Oncology, Center for Artificial Intelligence in Medicine & Imaging, Stanford University School of Medicine

Tuesday, 1<sup>st</sup> March

## Khin Khin Tha

- Affiliation: Hokkaido University
- Title: Associate Professor, Global Center for Biomedical Science and Engineering, Faculty of Medicine

## Yasuhiko Tachibana

- Affiliation: National Institutes for Quantum Science and Technology
- Title: Group Leader, Quantum-medicine AI Research Group, QST Advanced Study Laboratory

## Ken Sutherland

- Affiliation: Hokkaido University
- Title: Assistant Professor, Global Center for Biomedical Science and Engineering, Faculty of Medicine

## Hironobu Yasui

- Affiliation: Hokkaido University
- Title: Associate Professor, Department of Applied Veterinary Sciences, Faculty of Veterinary Medicine

Wednesday, 2<sup>nd</sup> March

## Yasuhito Onodera

- Affiliation: Hokkaido University
- Title: Associate Professor, Global Center for Biomedical Science and Engineering, Faculty of Medicine

## Takayuki Hashimoto

- Affiliation: Hokkaido University
- Title: Associate Professor, Department of Radiation Medical Science and Engineering, Faculty of Medicine

## Chietsugu Katoh

- Affiliation: Hokkaido University
- Title: Professor, Department of Health Sciences, Biomedical Science and Engineering, Faculty of Health Sciences

## Ken Sutherland

- Affiliation: Hokkaido University
- Title: Assistant Professor, Global Center for Biomedical Science and Engineering, Faculty of Medicine

## Fumihiro Higashino

- Affiliation: Hokkaido University
- Title: Associate Professor, Department of Pathobiological Science, Division of Dental Medicine, Faculty of Dental Medicine

## Khin Khin Tha

- Affiliation: Hokkaido University
- Title: Associate Professor, Global Center for Biomedical Science and Engineering, Faculty of Medicine

## Ulrich Katscher

- Affiliation: Philips Research, Hamburg, Germany
- Title: Senior Scientist

Lecturers: 4th GI-CoRE GCB Summer School for Molecular Biomedical Science and Engineering

---

## Thursday, 3<sup>rd</sup> March

### Erinn Bruno Rankin

- Affiliation: Stanford University
- Title: Assistant Professor, Radiation Oncology - Radiation and Cancer Biology, Assistant Professor, Obstetrics & Gynecology - Gynecologic Oncology

### Edward Graves

- Affiliation: Stanford University
- Title: Associate Professor, Radiation Oncology - Radiation Physics, Associate Professor, Radiology - Rad/Molecular Imaging Program

### Lei Xing

- Affiliation: Stanford University
- Title: Professor, Department of Radiation Oncology – Radiation Physics, Professor, Electrical Engineering, Director of Medical Physics

---

## Friday, 4<sup>th</sup> March

### Masahiro Mizuta

- Affiliation: Hokkaido University
- Title: Professor, Information Initiative Center, Information Network

### Yusuke Nomura

- Affiliation: Stanford University
- Title: Postdoctoral Scholar, Radiation Physics

### Keiji Kobashi

- Affiliation: Hokkaido University
- Title: Specially Appointed Associate Professor, Department of Radiation Medical Science and Engineering, Faculty of Medicine
